

Guidelines For Worship

Starting May 17th, we will offer 2 distinct services. Both will have the same content but will look very different. Our 9:00am service will be an outside service, while our 10:30am service will be inside. This is “Phase 1” of our reopening process.

Currently, there will be no Sunday School or other meetings.

Please carefully read the guidelines for the service you plan on attending.

Drive-in Service – 9:00am

- When you arrive, the parking team will direct you where to park to ensure 6ft distancing.
- The service will take place in front of the sanctuary – *note the change of location.*
- Golf carts, lawn chairs, and standing are allowed, but 6ft distancing will be strictly enforced.
- Only the bathrooms in the prayer garden will be open.

Inside Service – 10:30am

- Our team is thoroughly sanitizing this week before our service.
- Face masks are encouraged but not required.
- Doors will be left open to reduce physical contact.

When you arrive

- Drop your child off in education building before service starts (details below).
- If you arrive before 10:15am there will be a line in the breezeway - marked 6ft apart.
- Your temperature will be taken by a trained team.
- An usher will assign you where to sit. This is to ensure we meet social distancing and capacity requirements.
- Family units will be able to sit together. Each family unit will be 6ft apart.
- Younger families are encouraged to sit in the balcony.

During the service

- We will not have bulletins. Information typically in the bulletin will be available on the slides before and during the service.
- Restrooms will be available at the front of the sanctuary and in the prayer garden.

When you exit

- Ushers will dismiss by row.
- Offering can be dropped off in the baskets as you leave.

Childcare

To assist with social distancing, we will offer very limited childcare. Parents should use their own judgment on whether or not to drop their children off or to take them into service. Though we will make every effort to keep the children separated, we cannot guarantee 6ft social distancing between children. Here are steps we are taking to help protect our children.

- Childcare will be available through 3rd grade only. This will be strictly enforced to ensure class sizes remain manageable.
- Drop off your child in the education building before service starts. We will not dismiss during the service.
- In the education building there will be a sign-in desk. ALL children are required to be checked in at the desk. Only teachers, children, and parents will be allowed past the desk.
- Children may spend a portion of their time on the playground (dress accordingly).
- For safety, we are requiring that ALL children be checked out at the education building desk. Children will no longer be allowed to leave on their own.
