Sunday's Going To Be Special!

Nearly 14 months ago, COVID-19 caused life as we know it to come to an abrupt pause. In our church, not one area was left unaffected. As we tried to wade the uncharted waters, we found that everything would be different. Phrases we had never heard like 'social distancing' became the centerpiece of every conversation (conversations that were muffled behind newly worn masks).

During this past year we have longed to see the day where we could celebrate God's hand bringing us through, where we could gather as an entire church family yet again. Where we could share a meal together and enjoy seeing our church come together.

That's why I'm so excited to say – **Sunday night is that day!** For the first time in well over a year, we are gathering as an entire church family at 6:00pm to enjoy hamburgers, play games, and simply fellowship together. It's going to be a special night!

The fellowship is going to be sweet, but there is one other aspect of Sunday night that is going to be special. We aren't just inviting our church to come and fellowship; **we are inviting our community to hear the gospel.** Sunday night is fellowship, but Sunday night is also missions. Missions right here on our campus as we seek to engage our community with the love of Christ. That's why **we need you** to come out on Sunday night to welcome and love those who come, building a relationship to share Christ. My challenge for each of our members is to make one relationship with a guest on our campus this Sunday. Pray for God to open the door.

Sunday is going to be special – it will be even more special if you are there with us!

It's an honor to serve with you,
Pastor Nathan

Peanut Butter Drive for Haitian Children

We are collecting peanut butter to send to the Haitian children through Wednesday, May 26. Please drop it by the office.

Outside Family Renovation Team

At our last business meeting the church approved putting together a team that would research and recommend renovations to our outside area.

That would include possibly a new playground, family area, and covered pavilion. The Administrative Council unanimously recommends the following to serve on that team.

Gale Foust, Cindy Gilbert, Vic Larsen, Simon Phillips, Mark Steelman

We will vote as a church to accept this team by closed ballot Sunday, May 23.
