Church family,

One of the greatest joys as a Christian is to see a church sold out to the mission of God. When a group of believers are convinced of the power of the gospel and are compelled by love for their neighbors and the nations, the natural result is a commitment to missions. Every church faces the temptation to treat missions as an additional item on a long list of existing programs; but missions ought to be the lens through which we view every activity of the church, so that our resources, our time, and our efforts are all spent toward the mission of God, both locally and globally.

Listen to the words of J.D. Greear, *“Without the mission, a church is not a church; it’s just a group of disobedient Christians hanging out.”*

Because mission is the impulse behind everything we do, we want to give you tangible ways to participate in the mission of God this summer. **Vacation Bible School** is fast approaching (June 21-25), and with it will come many families - some churched and some unchurched. Our desire is to see families in our community folded into the life of our church through VBS, for the purpose of sharing the gospel of Jesus Christ with them. We want you to experience the joy of participating in the mission of God by serving at VBS this summer! There are several areas in which we need volunteers: Snacks, Crafts, Safety, Recreation, Registration, Music, and Guiding (taking children from one activity to the next). If you have not yet registered to serve at VBS, I ask that you consider doing so - for the sake of your own growth as an ambassador of Jesus, and for the sake of loving our neighbors.

With Joy,
Pastor Brett
Youth & Children’s Pastor
