

October 21 Newsletter

Psalm 150 tells us to praise the Lord with trumpet, lyre, harp, tambourine, dancing, stringed instruments, flutes, and cymbals, and to let everything that lives sing praises to our Lord! Other verses tell us to sing a new song, and remind us of how good and delightful and right it is to sing praises to God. While we are planning this month for an exciting Trunk or Treat at church and making family plans for Thanksgiving in November, musically in the church we're starting to gear up for the Christmas season. I love the old, familiar carols as well as new Christmas songs (the new songs Scripture tells us to sing) written by those God has gifted. As we make preparations for the season, I would like to hear from any of you who play an instrument or who have experience from a drama point of view. And if you are interested in singing with the Christmas choir, please start coming to choir practices at 4:30 on Sundays. We'd love to have you! We want to fill the choir loft with people who delight in singing praises to the God who loved us so much he sent His Son to earth -- our Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace dwelling among us!
