

## October 28 Newsletter

Friday night is Trunk or Treat! This night is always one of my favorite nights of the year for many reasons: the fall air, the excitement, families spending time together, costumes, children laughing, and more. At the same time, I love this night for 2 big reasons:

**Our Church Serving Together.** It is always such a blessing to see our church coming together behind one single purpose. It is a blessing to see young and old coming together as one body. I have found one of the best ways to get to know people in a church is to serve together. Also, when I see our church serving together it reminds me that if we applied the same type of unity and determination to other areas of our church, there is little we cannot accomplish.

**Sharing Christ with our community.** Our aim Friday night is not just giving out candy and having a good time. There are many other opportunities in our community that someone can go and have a fun night. Our aim is to unapologetically share the gospel of Jesus Christ. Please be in prayer for those who will attend. Pray from the moment they pull up, as they go through the line, and as we follow up after that God will stir in their hearts. Pray that perhaps for the first time they will understand the love of Christ.

Also, just as a reminder, Sunday night we will not have activities on our campus. Instead, we are encouraging you to share the love of Christ with the trick-or-treaters that will knock on your door that night. Remember, Halloween is the only night of the year the lost world will come to your door! We want to redeem that night and therefore will have church fliers and left-over candy in the lobby on Sunday morning.

Lastly, I want to let you know about a church wide survey that went live today and will be available the next 2 weeks. This is a survey for members and non-members of our church. It covers a wide range of topics related to our church. Please take the 10-15 minutes to fill out the survey thoughtfully and truthfully. The better we understand our church, the better we can move forward together!

Thankful to serve with you,

Pastor Nathan Sweet
