Happy Thanksgiving! This week is an important reminder to pause and thank the Lord for all of the blessings we have in our life. We shouldn't need a holiday to remind us to be thankful. We who are in Christ should be thankful continually. For me, as I stop and think of what God has done in my life, I have so much to be thankful for.

This year I am thankful for good health for my family. It was this time last year that my family contracted COVID-19. We were quarantined for nearly three weeks. We were unable to visit family for Thanksgiving, eating what was dropped off on our porch by Kelli's parents. Kelli could not even enjoy the meal due to having lost her taste and smell. This year I am thankful for God's hand in bringing us through that season.

I am also thankful for my church family. Though this year has been much improved with the pandemic, there have still been a significant amount of challenges and changes that we have made. Through it all, our church has remained united and focused on our mission to fulfill the Great Commission. I am thankful for you for your willingness to change and try new things, as we strive to look more like the church God has called us to be.

One of the exciting changes to our church is the addition of new choir chairs. We have roughly 40 chairs on our stage, but we now need people to fill them! I would love to see the choir loft full. Our choir is an incredible ministry of our church and we would love to have you be a part of it! If you have the desire to sing, come this Sunday at 4:30pm for practice. Come and be a part of this special group that helps lead us in worship.

I am thankful to be your pastor!
