

## January 20 Newsletter

Psalms 106:1 says, "give thanks to the Lord, for he is good, for his steadfast love endures forever!"

As I think back over the last year, I see many times where I was worried or anxious over something that was out of my control. Whether it was the pandemic, something going on at the church, or something in my family, there were many times I found myself stressing and not trusting in the Lord's sovereignty. Many times I would pray and lay that burden at his feet, but then it was as if I picked that burden up and took it with me. Often, we pray and we ask God to move and often he does. We just aren't watching to see. Often we ask, but we don't pause to say thank you for when he moves. Today, I want to stop and say thank you to the Lord, for he is good!

I want to say thank you to our church family. Over the past couple weeks as my family has dealt with COVID, we were blessed by your love, your prayers, and your support. What has blessed me even more than your care for my family, has been how you as a church stepped up in so many ways in my absence. While it was difficult to not be with you this past weekend, I was blessed as a pastor to hear and see how our church came together in such a mighty way. For me, it was a testament to the health of our church and the many godly people we have. I am hesitant to thank particular people, because I know I will leave some out, but for those who put in extra time and energy, and those who stepped outside their comfort zone in the name of Jesus, thank you!

Today, I am also giving thanks for our new Youth and Young Adults Pastor, Adam Heaney. Adam stepped up in a big way this weekend to preach in my absence. I have already seen Adam's heart for service, his humility, and his love for the church. I was not surprised to hear that he was voted unanimously to come and serve at our church. We are waiting eagerly as Adam, his wife Linsey, and their son Daniel come to serve at our church at the end of February. Please be in prayer for them as they make this transition and that through his time here many lives will be impacted for the gospel.

I am thankful for my church and I am excited to see what the future has in store.

In Christ,

Pastor Nathan
