

January 27 Newsletter

A little over two years ago, I would never have imagined closed restaurants, 6 ft distances, one-way aisles, and “no mask, no service” replacing “no shirt, no service” signs. Outside of hurricanes, I would not have expected empty shelves or gas shortages. I never would have dreamed a loved one could be in the hospital with no family member allowed to be with that person. So many other things have happened to make the past two years very long ones.

“Weary” is a word I hear many people using now. In so many ways these two years have become life-changing. We have had to adjust in so many ways. And sadly, in all the hardship, stress, and grief we may have experienced during this pandemic, we are living in a bitter, opinion-dividing nation. So much of what we desire in life—love, hope, peace—has seemingly disappeared.

But we are children of the one and only God! Jesus has saved us! The Holy Spirit lives in us! So let’s not become weary in doing good (Gal 6:9), let’s not let the darkness of the world shape us, but let His light shine so that people can see our good works and glorify God our Father (Matt 5:16). May our prayer for each other be that the God of hope fill us all with joy and hope as we trust in Him so that we may overflow with hope by the power of the Holy Spirit (Rom 15:13).

I will sing of your strength

In the morning I will sing of your love

For You are my fortress

My refuge in times of trouble

Psalm 59:16

In Christ,
