

February 10 Newsletter

This week my daughter and I went to donate blood to the Red Cross. Whenever I give, I'm reminded of my Savior, Jesus Christ, who gave all His blood to save a sinful world. When a human being donates whole blood, it's a mere 1 pint and a body replaces that blood quite quickly. A donor can give again and again to help save the lives of more people. But unlike our donations to Red Cross, Jesus, the Son of God, didn't need to turn around and repeat his gift 6 times a year. His sacrifice was once. It is for eternity. It is for anyone who wants to receive the gift of His precious blood which covers all our sins. His blood bought us and made peace with God. It reconciles us, redeems us and cleanses us from all sin. The messages our pastor has given in the book of Luke have reminded us of the sacrifice Jesus made for us and the response required of us. We should all be humbled and grateful for the beautiful gift of love God gave. As February is the traditional month of love from an earthly viewpoint, let's all remember that "This is how we know what love is: Jesus Christ laid down His life for us. And we ought to lay down our lives for our brothers and sisters". 1 John 3:16 NIV

Were the whole realm of nature mine
That were a present far too small
Love so amazing, so divine
Demands my soul, my life, my all.
(Isaac Watts)
