

First Baptist Surfside

August 4, 2022 Newsletter

This week I am going to keep the newsletter short to emphasize how important this coming Sunday is going to be in the life of our church.

On Sunday morning, we will begin a new sermon series about the mission of First Baptist Surfside. During this series we will establish the purpose of our church from our mission statement and God's Word. We will understand why our church exists, why we do what we do, and things we need to improve on in the future. Essentially this series will begin the conversation of the direction of First Baptist Surfside for years to come.

On Sunday night, we will have a very special night of worship. This will be time of authentic worship, music, scripture, and prayer. Last week we enjoyed a time of ice cream fellowship, this week we will gather to think well about how great our God is. What better way to compliment our series on the mission of our church than by fixing our eyes on God Himself.

I say all this to say: if it all possible, make every effort to be here Sunday. It is that important.

In Christ,
Pastor Nathan
