*"Oh come, let us sing to the Lord;
let us make a joyful noise to the rock of our salvation!"
Psalm 95:1*

Singing is sooo good for the soul. When we sing, it allows us to express ourselves in ways that regular words cannot. I love that when we come together, we all lift our voices as an overflow of our hearts. For some, singing a song of praise is a way in which we can thank God for how He provides or works throughout the week. For others, it is a cry for God to intervene in a struggle or troubled situation. Either way, God knows our heart and He has a way of speaking to us through our personal and collective worship.

When we sing, we also encourage and build up others by our posture of worship. I would like to invite you to sing with us this coming Sunday. Come use your gift to build up others by lifting your voice to the Lord. We will meet in the choir room at 10:15 to run over the songs.
