2023-24 Budget Clarification from the Finance Committee

1. At the March 2023 Church Conference, the church voted to change our budget year to January – December. In order to transition to that format we will be creating an interim budget for September – December, 2023. Our goal is to model this interim budget after the 2022 budget for just this year. Therefore, we will not be asking for budget request for this interim budget. However, if there is a special request please reach out to Finance Committee.
2. For the 2024 budget, we are asking all church committees, teams, and staff to submit their budget request to the Finance Committee by **September 1, 2023**.

If you have any questions, please don't hesitate to contact the Finance Committee.
