“He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God. For the ministry of this service is not only supplying the needs of the saints but is also overflowing in many thanksgivings to God.” - 2 Corinthians 9:10-12

Paul spends a large portion of 2 Corinthians writing to the church about giving. In these verses, he notes that God is the one who supplies you with all your needs. Immediately after this, he says that God gives you these things so that you can then give it away! “You will be enriched in every way to be generous in every way.”

But what is the result of giving generously? He says it “is not only supplying the needs of the saints but is also overflowing in many thanksgivings to God.”

Last week I was with 11 of our students and 2 other volunteers at summer camp. This would not have been possible without your generosity and your faithfulness to pray for our students. We saw God move in many ways and He is working on the hearts of our teenagers. By your giving, not only did you supply their needs but your giving also overflowed in many thanksgivings to God for what He did at camp and what He will continue to do in our student ministry. Thank you for obeying the Lord!

The work is not finished, however, and many of you have committed to pray for one or more of our students. Please continue to pray for them as we get ready to kick off our regular student ministry gatherings this fall!

Thank you for all you do!
