****Attention Parents****

On Sunday mornings we are currently going verse-by-verse through Genesis in our corporate worship time. I pray that you have seen how foundational Genesis is to our faith. Genesis gives us the foundation for salvation, marriage, parenting and more.

At the same time, if you have read looked, you know that Genesis has sections that are difficult, dramatic, and even scandalous. While my aim is to address these passages tastefully and appropriately, many of them might be challenging for parents with children. This week is one of those weeks as we see God's design for marriage.

That is why starting this Sunday, February 11th, we will be extending Children's Church through the 5th grade permanently. We believe this is an important step to be a blessing to families and parents at our church. At the same, we want to be clear that this is an option for parents to choose at their own discretion.

I look forward to worshiping with you on Sunday!

Pastor Nathan
