

Empty Campus, Full Heart!

This week it has been much quieter around the church. Last week each day was filled with excitement, laughter, music, games, crafts and more as around 100 little feet were on our campus for Vacation Bible School. What an incredible week we had! This week the campus is empty compared to last week, but my heart is still full. Here are a few reasons I am giving God praise for Vacation Bible School.

- 1. Children. I am reminded that a church with children is a church with a future! Last week, we were blessed to share the gospel with each child on our campus. Yes, there was a lot of fun to be had, but our prayer is that the gospel seeds that were planted will grow into saving faith.
- 2. **Unity**. As a Pastor one of the things that blesses my heart the most is to see our church come together as one for the single purpose of reaching the community for Jesus. It was such a blessing to see the adults in our church from all ages, backgrounds, and giftings come together to make VBS a great week.
- 3. Youth. One group I was especially proud of was our teenagers. We are blessed with a great group of students (6th-12th grade) who showed up each night and served with passion, energy, and excellence. It is a blessing to watch them as they grow into the future leaders of our church. If you want to know the future is in good hands, look no further than our youth ministry.

These praises are just a few of the many ways I could celebrate Vacation Bible School. If you see our Children's Director Lizzy Baker or a member of our Children's Team, please express your gratitude for all their hard work. Let us join together in praying for the gospel seeds that were planted would grow into saving faith for some and mature faith for others.

It's an honor to serve with you! Pastor Nathan Sweet
