

First Baptist Surfside

June 26, 2025 Newsletter

Hi Church,

First Baptist Church is a great place to serve! I have been so blessed to meet so many of you over the past month, and I look forward to meeting many more of you in the days ahead. As I was thinking about the church this week, I thought about how amazingly blessed we are to be a part of such an incredible place.

There are many traits of a healthy church. First Baptist Surfside certainly displays three. First, we are a generous church. I was so encouraged by the tremendous generosity of our church family and your contribution of \$6,239.08 (with more to follow) toward Coastline Women's Center. Coastline Women's Center helps to educate, support, and empower women facing unplanned pregnancies with compassionate and professional medical care. I am proud of our church for partnering with such an amazing organization.

Second, a healthy church is a volunteering church. A couple of weeks ago, I was blown away by the volunteers working with our Bible school. I would like to personally thank you for your help. Children heard about Jesus because you were faithful and obedient. We may never know the impact we have on a child's life because of the few hours we spend with them during a week.

And third, thank you for being such a welcoming church on Sunday morning. Many of us have been going to church for a long time and have become comfortable and love our church. But can you imagine being a guest for the first time, walking into a new and unfamiliar church, not knowing anyone, and looking for something more in their lives? Then the first people they meet when they walk through the doors are us. I am thankful for you because you make our guests feel at home. You honor our guests, and it makes all the difference. Thank you for the way you interact with our guests!

Thank you for being such a loving and healthy church! Keep growing in your love for others!

Pastor Tommy
