## New Playground Nears Completion

We're excited to share that Phase 1 of our new playground area is nearly complete! For everyone's safety, please avoid the construction zone until all work has finished. We truly appreciate your patience during this process and can't wait to see the children enjoying this fun new space soon!

A big thank-you to our Building & Grounds team for their hard work in redesigning and improving the playground. Your efforts are a blessing to our church family!
