

Who Is Celebrate Recovery For?

It is for anyone, young, old, male, female, you and me. It is for anyone who has a habit, hurt, or a hang-up, or anyone who wants to reach out and help others. The Biblical principles modeled through the twelve steps can help all of us. So, this is not just about drugs and alcohol, it is about finding healing from anything that is keeping us from the life God meant for each of us to have. It is about growth, getting healthy again, and growing closer to God. Whatever you are struggling with, addiction, anger, drugs, alcohol, pornography, anxiety, depression, or any other life issues you may have, Celebrate Recovery can help.
